

Dear parent/guardian,

We are pleased that you found us!

Are you looking for friends for your child in the same age group as your child, in Almere?

Is it important to you that your child is lovingly taken care of by his or her teacher?

Would you like your child to learn Dutch in a playful way?

We give children aged 2 to 4 a comfortable, fun, and safe place to play and learn in our 'speelzalen' (play groups) in Muziekwijk and Stedenwijk.

With the support, care and guidance of his or her teachers and by playing games, singing, and talking with peers, your child will discover who he or she is. By the age of 4 your child will be ready and well-prepared for school.

Features of our 'speelzalen':

Warm, friendly, family environment with wooden furniture,

Small groups of (no more than 14) children, with 2 teachers for each group, playing only in the morning (your child can rest in the afternoon at home),

Toys made of natural materials, mostly wood, wool, cotton, and silk,

Lots of song; songs at the beginning and end of each class, songs for each season of the year,

Having fun, playing outside in a natural, green school yard,

Starting each day according to the rhythm of the morning, the seasons of the year, and the traditional annual festivals and celebrations,

Provide parents with educational support and guidance for their children,

Giving parents/guardians a place and the opportunity to share and express their experiences with others (in Dutch and English, with the help of a translator if needed),

If this sounds good to you

Please contact us by email in whatever language you are most comfortable with. It is always possible to make an appointment to come and see the pre-school with your child.

You are more than welcome to bring a friend with you.
